MAGNETIZE & MONETIZE PROFESSIONAL FREEDOM

- **DISLODGE TOXIC MYTHS**
- **IGNITE THE CHARISMA WITHIN**

Scott Mason is the Myth Slayer, whose talks take audiences of organizational leaders and entrepreneurs looking to elevate their leadership, increase impact, and find a powerhouse personal voice on an epic odyssey to magnetize and monetize their own version of professional freedom.

Scott's trailblazing 4-pillar framework combines practical and actionable takeaways with all of the fun, excitement, and unique insights of Greek mythology to unshackle and rewrite toxic myths holding the audience back and empower them as charismatic Olympians -- leading to greater opportunity and more profound personal fulfillment.

After graduating from Columbia Law School, Scott worked for over 20 years as an attorney and senior executive with a variety of government and nonprofit organizations before successfully growing and scaling a manufacturing company. His insights have appeared in book compilations and online magazines as well as on television and podcasts.

His speeches have electrified organizations as diverse as Northwest Mutual, Hunter College, Project Management Institute, Encouraging Strength (Ecuador), National Speakers Association (CT), and the Positivity Summit NJ 2022.
