

SCOTT SNIDER

Leader, Lifetime Entrepreneur, Growth Specialist
President, Exit Planning Institute

Scott Snider is the President of the Exit Planning Institute (EPI) and the Operating Partner of Snider Premier Growth, a small family investment company. At EPI, Scott is responsible for the strategic direction of the organization along with overseeing the company's operations and chapter development. Since joining EPI, Scott has expanded the organization regionally, nationally, and globally, providing a transformational educational experience to advisors from all specialties across the globe.

Scott Snider is a nationally recognized industry leader, growth specialist, and lifetime entrepreneur. Two of Snider's biggest talents include market penetration and rapid growth strategies. As the operational and strategic leader of EPI, Snider thrives on helping advisors learn how to educate clients, achieve market distinction, and deliver real results.

FISHING FOR VALUE

Written by Scott Snider, lifetime entrepreneur and exited owner, with contributions by ten industry experts in the Exit Planning Institute community, resulting in a realistic, practical, and compelling tale of business owner 'Chuck

Barrows' based on hundreds of real-life business owner experiences.

This eBook has been used by hundreds of advisors across the country to help bridge the exit planning knowledge gap for clients considering transition. Fishing for Value effectively illustrates the need for a proactive exit strategy. Download your digital copy today on Amazon by visiting www.FishingforValue.com.

WHAT ARE PEOPLE SAYING?

- “ High energy speaker with eloquent story telling skills.
- “ So easy to remain engaged, I could learn so much just from listening to his stories.
- “ Not only informative but inspirational and you can feel his passion. This was reinvigorating.
- “ Eye opening and immediately actionable.
