## TESTIMONIALS

*Thank you for your great presentation during the Power Plenary Session. This is a yearlong effort, and we always try to do better the next year than the year before. Your being here and delivering your Power Plenary speech as you did added to the excitement of the day. I know that you had a huge crowd (1,200+!) and as I watched from the back they were all very engaged in your talk. It was a pleasure to have you here for the 20th Women's Summit. I know that your remarks left an impact on all who heard you speak. - Kati Machtley, The Women's Summit, Bryant University*
