## 2023 SIGNATURE TALKS

## BIOGRAPHY

### ♦ Saving Time For Joy

Discover how the myth of work/life balance creates a cycle of busyness & discontent.

### ♦ Organized To Free

Free yourself from the one-size-fits-all idea of being organized and productive by learning how to rightsize your life.

### ♦ What's Your ETA?

Learn why it's important to embrace the reality of your life and start planning your time proactively based on your needs.

In 2016, Aimee founded Life Done Simply, a productivity & organizing company focused on sustainable strategies, intentional living, and mindfulness practices. She is a leader in the National Association of Productivity & Organizing Professionals and holds a Specialist Certificate in Workplace Productivity, Brain-Based Conditions, and Residential Organizing. Using her rightsizing story to inspire, Aimee will challenge your audience to rethink what it means to live a productive and organized life.

## IN THE PRESS:
