

"Dale Carnegie of the digital age."

Biography

Andrew is a Brooklyn based social entrepreneur (Tribute.co & DreamsForKidsDC.org) and professional speaker. He is a Global Shaper at the World Economic Forum, was selected for the TECHWEEK100 and StartupBoost's 33 Under 33. He has also received the Mayor's Community Service Award in Washington D.C.. Andrew is known for his inspiring presentations that focus on original insights people can use to improve their relationships, communicate with confidence and create more meaningful connections, on and off the job.

Testimonials

"These are the top life insurance professionals in the country and Andrew managed to present novel communication techniques that kept attendees talking about his message well after the session was over. Great stories, tangible takeaways and a noticeable impact on our attendees." - Cathy Neifeld // Forum400

"Our global scholars loved the interactivity of the session and are already using your communication techniques to pitch their projects with more passion and confidence. Thank you!" - Lauria Armstrong // Mastercard.

Popular Presentations

THE ART OF MEANINGFUL CONVERSATION

Andrew breaks down the practical techniques that anyone can use to meet new people, overcome shyness, ask better questions and build deep relationships wherever they go.

INFLUENCE WITH INTEGRITY (MARKETING SALES)

Use authentic excitement to sell your ideas. Develop an elevator pitch, signature story and several tools to speak clearly, concisely, and confidently about your business.

GRATITUDE @ WORK (CULTURE & WELLNESS)
