*"Mrs. Barbara Smith is an amazing orator, an outstanding motivator, and an inspirational teacher! She has proven what it means to go through a "trial by fire". I enjoyed her teaching style and ability. I would definitely recommend her for any speaking engagement-motivational, leadership, IT, and as an instructor/facilitator. She is full of energy, and I know anyone who comes into contact with her will leave her presence with a more positive attitude and a desire to persevere through adversity." ~ Dakeem Coleman*

*"I had the privilege of hearing Barbara speak in Nairobi, Kenya in November 2021 for the Live Your Best Life Conference hosted by Dr. Ruben West. Her ability to impact others through the art of communication was a sight to behold. I highly recommend your bringing Barbara to your organization to inspire and empower through the art of communication." ~ Jeannetta Collier*
