

A Dynamic Speaker Who Activates Audiences

The Talk: **BRAGGABLE!** The 5 Elements High Performing CEOs Leverage to Build a Winning Culture

It's not a ping-pong table, or beer on tap. Nor is it giving Friday's off or naming an employee of the month. Winning cultures are tricky to develop, can't be forced, need to be groomed and cultivated. This talk uncovers the 5 elements that when exercised together, foster a kinetic momentum guaranteed to transform any organisation and the lives driving it. Perfect for start-ups and scale-ups looking for an edge. Tyler brings 20 years of collaborating with over 250 business and witnessing what works for CEOs to build a dynamic organisation and long-felt legacy.

Tyler Hoffman **President OnPoint Employee Benefits**

Employee Benefits are broken. Low utilisation, high renewal rates, confused employees and generic plan designs all lead to no ROI.

That's why Tyler built OnPoint - the BRAGGABLE employee benefits platform that solves these challenges by speeding up recruiting, strengthening productivity and surges employee engagement, and CEO's are noticing!

BRAGGABLE The Book

Leave your audiences further supported to take action and drive results by gifting your attendees with a copy of Tyler's recent book: BRAGGABLE.

BRAGGABLE The Course

This complimentary 5 day challenge unlocks hidden employee benefits constraints that are preventing organisations from having a BRAGGABLE benefits experience. Perfect for HR and SLT teams.
