

# Biography of Peter Shearer A.A. anesthesiologist

Medicine, Anesthesiology and Clinical Anesthetist

Dania Beach, FL, USA [be.net/petersaaan](https://be.net/petersaaan)

## Peter Shearer

Peter Shearer was a founding member of the Wisconsin Academy of Anesthesiologist Assistants (W AAA).

**Peter Shearer A.A. anesthesiologist**, a distinguished Clinical Anesthetist originating from Dubuque, Iowa, currently makes his home in Dania Beach, Florida. Over a career spanning more than three decades, he has made an enduring impact in the realm of Medicine, specializing notably in anesthesiology. His professional trajectory is colored with a rich spectrum of personal interests, encompassing snow skiing, road cycling, mountain biking, trail running, and engaging in triathlons.

### Clinical Anesthetist Extraordinaire

Renowned for Peter's proficiency in pre-operative assessment, intraoperative anesthetic administration, management, and post-operative care, his commitment transcends the confines of the operating theater. He actively imparts clinical anesthesia guidance to medical students, student anesthetists, and budding anesthesia residents, leaving an indelible imprint on the University of Wisconsin Department of Anesthesiology, where he dedicated 28 years of his career. Presently, he extends his expertise to outpatient surgical centers in South Florida.

### Pioneering Contributions

As a founding member of the Wisconsin Academy of Anesthesiologist Assistants (WAAA), he played an instrumental role in the licensure of Anesthesiologist Assistants (AAs) in Wisconsin. Through direct engagement with key stakeholders, including medical board members, society leaders, legislators, and lobbyists, he paved the path for aspiring AAs to pursue fulfilling career opportunities across Wisconsin.

## Peter Shearer

As a Clinical Anesthetist with a wealth of experience and a passion for outdoor pursuits, Shearer's journey is a testament to the harmonious balance one can achieve between a thriving career and a fulfilling personal life.

### Academic Achievements

His academic odyssey is distinguished by excellence, culminating in a Master of Medical Science (MMSc) in Anesthesiology from Emory University in Atlanta, Georgia. His academic journey commenced at Loras College in Dubuque, Iowa, where he earned a Bachelor of Science in Biology/Chemistry.

## Recognitions and Awards

Peter Shearer A.A. anesthesiologist's unwavering commitment to clinical excellence has garnered him prestigious accolades, including the Frank Meyers Award for Outstanding Clinical Colleague and the David E Nagel Award for Outstanding Clinical Excellence. His influence extends beyond clinical practice, evidenced by his pivotal role in shaping the careers of aspiring anesthesiologist assistants, having graduated as part of Emory University School of Medicine's anesthesiologist assistant class of 1989.

## Outdoor Pursuits: A Glimpse into Personal Life

Beyond the confines of his professional realm, Shearer finds solace and exhilaration on the slopes. Introduced to snow skiing by his father, he is an ardent downhill skier, exploring challenging terrains across the Rocky Mountains, Europe, and South America. His penchant for speed extends to mountain biking and road cycling, providing avenues to push his physical limits while reveling in the beauty of nature. Running initially adopted as a stress management tool, has evolved into a cherished routine, offering not only physical benefits but also social interactions, particularly during trail running outings shared with friends.

## Peter Shearer

Peter Shearer stands tall among his peers, having received the Frank Meyers Award for Outstanding Clinical Colleague in 2013 from the University of Wisconsin Department of Anesthesiology.

## Philanthropy and Volunteering

Peter exhibits a profound commitment to philanthropy and community service. He devotes his time to running 12step meetings for inmates and volunteers at a local homeless shelter, underscoring his dedication to supporting individuals on their journey to recovery. Notably, his involvement in the National Ski Patrol reflects his deep-seated commitment to community service.

In the multifaceted life of Peter Shearer A.A. anesthesiologist, the realms of Medicine, outdoor adventure, and philanthropy converge seamlessly. As a Clinical Anesthetist with a wealth of experience and a genuine passion for outdoor pursuits, his journey stands as a testament to the harmonious balance one can achieve between a thriving career and a fulfilling personal life.
