BRITTANY GREENE

Founder & CEO Coach of Crowned Financials

Brittany is the Founder & CEO Coach of Crowned Financials. She helps her students/clients see increases to their credit score anywhere from 50 to 300 points without hiring credit repair companies.

She then also provides resources to help leverage their credit to build wealth.

After destroying and rebuilding her own credit score three times, Brittany Greene began her career coaching others to improve their Credit Profile. Brittany then developed a system and passion for Financial Literacy. Through workshops, courses, books and exclusive coaching, Brittany has been able to successfully educate thousands on the crucial areas of finance starting with the foundation of Mindset & Credit.

Brittany was a former International Radio Show host for I Am Caribbean (IAC.COM) and since then dedicated her time to educate colleges and universities on the importance of credit and money management.
