Speaking Topics

Women's Issues From Abuse

As women of abuse, we deal with issues that are completely different from the average woman. Christine addresses these issues and what she has done to try to overcome them to make her a stronger, healthier woman.

Abuse & Domestic Violence

From the physical to the mental to the sexual and everything in between, Christine shares the lessons she continues to learn to survive in today's world, including the online dating one.

Alcoholism & Drug Addiction

Christine has dealt with drug addiction from cocaine in the 80's to addiction of pain pills while she was in and out of the hospital for a year in 2016 stemming from the alcohol abuse.
