DELIVERING ENERGISING CONFIDENCE

## *ABOUT*

CARRIE  
WALLIS B.SC

Carrie Wallis is a coach, best-selling author, speaker & educator. She supports solo business owners who are struggling with their marketing and tend to self-sabotage. Carrie help's them stop the negative self-talk and shows how to build trusting relationships with prospects that lead to a natural and effortless sign-up process.

On the death of her husband, Carrie knew she had to get clients fast or face returning to the corporate world - something she vowed she would never do. After knuckling down, learning from the best and achieving marketing qualifications she grew her coaching business to high-end 5 figures in less than 6-months.

Carrie has a reputation for under-promising and over-delivering. She tells you how it is.

# ***AUDIENCE***

**Women | Coaches | 30+ | UK, Australia, USA & Canada**

Carrie's followers are female entrepreneurs primarily coaches, therapists, and healers who want to confidently prosper with a thriving coaching or therapy practice. They want to make a difference in the lives of their clients by providing accessible and affordable programs for change. They want to believe in themselves & learn how to attract clients without spending all their time marketing. With a limited advertising budget, they want to leverage technology to deliver the best possible returns.

## ***MISSION STATEMENT***

To make high-quality support accessible for those who need help, by lightening the load for help professionals through inspired marketing.

# WHAT YOU GET

Carrie's **B.E.A.M** process provides clear, easy-to-follow steps for you to turn strangers into clients for your practice.

Her **focus on relationships and connection** mean your clients will be as excited to work with you as you are with them. Her heart-centered methods and generosity in sharing mean you will receive the support you deserve as you design and implement your marketing strategy. Building confidence at every step.

Her background in the I.T profession and ability to break complex topics into straightforward learning means **you need never fear or be overwhelmed by technology again.**

Carrie's philosophy of Keep It Simple means you can kiss overwhelm goodbye as you focus on the **fastest, simplest path to your goals.**

By becoming part of Carrie's **Confidently Prosperous** community you can expect to be heard, cared for, and met where you are, without judgement. Carrie's qualifications and experience as a counsellor mean you will feel understood and supported as you tackle any self-sabotage behaviours, finally able to **release those inner gremlins and believe in yourself.** You will relish the nurturing, caring environment that Carrie creates for you to develop the **confidence and know-how to grow your business** with the support you want and need.

Carrie has a reputation for under-promising and over-delivering, she tells you how it is. You can always be certain of the very best advice and the most up-to-date information
