Charlotte has chosen to use her experiences to help women find their voices in a world where they are silenced. With over 16+ years as a transformational leader, executive leadership coach, and mastermind & workshop facilitator, she works with individuals, groups, and organizations to amplify their authenticity and empower them to become better versions of themselves.

Charlotte's work is important because it helps people to become more fulfilled and successful in all areas of their lives. When people are authentic and empowered, they are more likely to achieve their goals, build strong relationships, and create a positive impact on the world.

In addition, Charlotte is a co-author Amazon #1 Best Seller on topics like authentic communication, likeability factor and creating healthy work environments.
