

CLARESA BAGGS SPEAKS LIFE

Claresa Baggs is an award-winning filmmaker, producer, director, inspirational speaker, author, and humanitarian. As a survivor of childhood sexual, physical and emotional abuse,

Claresa is a staunch advocate for bringing awareness of childhood traumas and their global affects on society. Claresa uses her many platforms to share her survival story to inspire hope, encouragement and help give voice to the voiceless.

It is Claresa's belief that when we open our mouths and speak our truths, it becomes a healing balm for both the speaker and listener.

Claresa tells us "I asked God to make me similar to Jesus-with the ability to heal, even from afar. And that is what I do.

"Personal Mission:

Advocate for changes in laws, conversations and attitudes towards child abuse, sexual assault, and mental health wellness.
