

WIN THE UNEXPECTED

International Keynote Speaker /
Brain Injury Survivor /
Resilient Dude / ex-Hootsuite

"Dan's keynote was one of the most inspirational speaking engagements I've heard (virtual or live)! His honesty, humour, and approach to the challenges he has faced really resonated. Regardless if you've struggled with trauma or mental health challenges, Dan's story will absolutely strike a cord, reminding us all how to live better lives and be grateful for what we have."

-Meghan MacDonald
Enterprise Account Executive

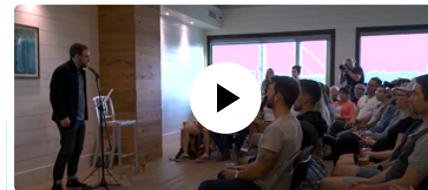

Speaking Topics

01. Moon shot goal-setting -

How to set audacious goals and reach them.

Dan is the survivor of x 2 emergency brain surgeries. He had to relearn how to walk, talk and smile again. He speaks about Incremental improvements, that compound over time. These can and do lead to significant results. He strives to be better than yesterday and passes along action-oriented hacks to help you and your team thrive.

video

02. Resilient mindset.

"It was not easy, but it was simple."

03. Mental health:

How you can overcome your obstacles by reframing them.
