## Non-Cash Considerations

As a professional speaker, I'm committed to recognizing the diverse ways we can support each other in a mutually beneficial partnership.

If there are items that your organization may be able to provide, just let me know, and I can consider these items when pricing my speaker fee:

### Referrals

- Warm introductions to potential clients (vendor partners, industry associations, organization sponsors, board members)
- Recommendations to event organizers
- Written or video testimonial

### Partnerships

- Guest spot on your podcast
- Feature or byline in article or whitepaper

### Social Media & Publicity

- Videography/photography from event
- Social media post about my TEDx talk
- Dedicated email blast, banner ad, or website feature about my services

### Community Impact

- Charitable donation to support causes related to youth, women's empowerment, education, or ALS Research
- Invitation to participate in a volunteer opportunity hosted by your organization

### Resources

- Annual membership to your association (or one you partner with)

### Travel & Accommodations

- Additional nights at event hotel
- Upgraded travel or accommodations
- Companion hotel or airfare
