

Dr. Angel  
Durr

PhD & Data/AI Scientist,  
Entrepreneur, Speaker,  
Creative, Professor &  
Disability Advocate

## MOST REQUESTED SIGNATURE TOPICS

Dr. Angel Durr obtained her Ph.D. in Information Systems from the University of North Texas in 2018 at the age of 31 years old. Angel is a mother of one and the owner of DataReady DFW, a nonprofit organization focused on using strategic data, AI, and RPA tech to serve the needs of marginalized populations. Angel currently serves as the Senior Manager of IAS for Smartbridge. Dr. Durr is a disabled first-generation college student and an Afro-Latina. No stranger to hard work, she has raised most of her siblings while earning her advanced education due to her mother's frequent incarcerations and subsequent murder.

## SELECTED FEEDBACK

*Additional Feedback*

*Featured on [LinkedIn](#)*

*"Angel is tireless in her advocacy for diversity in technology as well as developing her own impressive technical acumen."*

*Andrew Kelley*

*"Dr. Durr has an incredible way of teaching others that you don't have to be a data analyst or scientist to use and know data - something I think helps break down those intimidating barriers data can bring."*

*Meagan Moakes*
