

**Jenn Garcia**  
**Residency Program Manager**  
**Otolaryngology-Head & Neck Surgery**  
**Oklahoma State University Medical Center**

## **About Jenn Garcia**

Jenn Garcia is a dynamic healthcare leader with a passion for improving healthcare access and education. As the Residency Program Manager for the Otolaryngology-Head & Neck Surgery program at Oklahoma State University Medical Center, Jenn plays a critical role in training the next generation of medical professionals.

With hands-on experience across clinics, nursing homes, emergency departments, med-surge, and cardiology units, Jenn has developed a holistic view of healthcare, combining patient care expertise with administrative leadership.

---

## **Areas of Expertise**

**Healthcare Administration:** Leadership in managing residency programs and healthcare operations.

**Medicare & Health Insurance:** In-depth knowledge of Medicare and supplemental insurance policies.

**Clinical Experience:** A wide range of experience across diverse healthcare settings.

**Global Health:** Offering insights into international healthcare challenges.

---

## **Why Choose Jenn Garcia as a Speaker?**

**Diverse Healthcare Experience:** Proven expertise in patient care and healthcare administration.

**Leadership in Medical Education:** Managing a leading medical residency program and shaping future healthcare professionals.

**Advanced Educational Background:** Holds master's degrees in both Health Care Administration and Global Health.

**Specialized Knowledge:** Expert in Medicare, supplemental insurance, and healthcare policy.

**Relatable and Engaging:** Balances professional expertise with personal warmth, connecting with audiences on a human level.
