

The AI Revolution: Why You Shouldn't Fear It and How to Thrive.

While the headlines love to focus on AI replacing jobs, Grace brings a different perspective: AI is a tool for empowerment, not extinction. The key isn't to resist AI—it's to understand how to work with it, adapt, and leverage it to your advantage.

Grace Schroeder
CEO-Slingr

What Grace Brings to Your Stage, Show, or Segment:

- ✓ **Why AI Won't Take Over—But Why You Should Pay Attention** – Separating fear from reality in the AI conversation.
- ✓ **The Jobs Most at Risk & How to Future-Proof Your Career** – What industries will change the most and how workers can stay ahead.
- ✓ **AI as Your Work Ally, Not Your Replacement** – How AI can eliminate repetitive tasks and free workers to focus on creative, strategic, and high-value work.
- ✓ **The Skills That Will Matter Most in the Age of AI** – What employees and leaders should focus on to thrive in an AI-driven world.

Why Grace?

With a **psychology degree** and leadership roles at **Qwest and Transamerica**, Grace understands both the **technology** and the **human side of workplace transformation**. She's not just a **tech CEO**—she's a **translator of the future**, helping businesses and workers navigate **AI disruption with confidence, not fear**.

Her speaking style? **Engaging, relatable, funny and refreshingly human**. Whether she's on stage, behind the mic, or on camera, Grace makes AI **accessible, exciting, and actionable**—so your audience walks away feeling **informed, empowered, and ready to take control of their future**.

Book Grace Schroeder

Looking for an **AI and future-of-work expert** who will **educate, inspire, and help audiences prepare for the next era of work**? Grace is the speaker, podcast guest, and media contributor who delivers.
