# ANSWER THE CALL

Living A Life With Purpose

# JORGE V. GONZALEZ

I am the son, grandson of Mexican immigrant and a first generation American. I spent 20 years in the warehouse, distribution and logistics industry before becoming disabled 2012. When I became disabled, I had to reinvent myself and transition into the real estate industry. I am currently a real estate agent, the inventor of “The Batting Pro” a batting machine for baseball and softball. And the published Author of International Best Seller “Answer The Call”.
