Bio

Kerry is a Certified Diversity Practitioner and an elected official serving as a school board trustee with 7 years of diversity and inclusion experience. She is a proud mother of two boys with autism and a neurodiversity advocate. She is also a proud Latina in Tech that has worked at top tech companies such as Microsoft and Amazon to advocate for diversity and inclusion to empower women and minorities.

She served as a board member for People Acting in Community Together (PACT), where she empowered the community to solve social issues related to housing, immigration, education, and social justice. She has led community rallies to advocate for equitable education for all. She has also mentored youth through Google's CS First Program and Microsoft TEALS Program, teaching computer science fundamentals. In addition she has led and won hackathons at Women Who Code Silicon Valley, a non profit dedicated to helping women excel in technology.
