

UNLOCK ACCESS TO EXECUTIVE HR EXPERTISE.

Transform HR challenges into powerful opportunities for growth.

With deep expertise across Retail, Healthcare, Financial Services, Professional Services, and Technology, we deliver customized solutions tailored to your company’s unique challenges. Whether you’re looking to elevate your HR team, develop a winning People & Culture strategy, or completely revamp your HR programs, we provide the expertise needed to achieve transformative results.

**ACCESS
EXECUTIVE HR
LEADERSHIP**

Access expert leadership when you need it. Address challenges and navigate tough situations without the commitment of a full-time C-Suite hire.

**MAXIMIZE ROI
WITH STRATEGIC
PROJECTS**

Target initiatives that address company goals. Drive exponential returns on your HR investment and position your workforce for future-forward success.

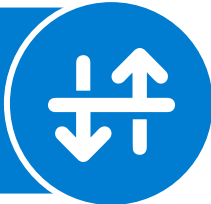

**BUILD FOUNDATIONAL
HR PROGRAMS THAT
SCALE**

Build and evolve HR programs that scale. Introduce a differentiated employee experience that attracts top talent and fuels company performance.

**LEADING BUSINESSES
THROUGH CHALLENGING
TRANSFORMATIONS**

Whether acquiring, preparing for rapid growth, downsizing, or divesting, we help navigate business transformations with a focus on people, culture, and top talent retention.

Kim Tabac is an expert across all areas of Human Resources and is particularly passionate about leveraging data to inform business decisions that drive performance. She has the unique experience of successfully leading the HR function at both iconic large enterprises and scaling tech start-ups through complex transformations and hyper growth.

Kim is best known for building high-performing teams, designing game-changing employee engagement strategies, developing truly inclusive work environments and driving the adoption of innovation and technology to disrupt traditional HR practices. She is a sought after keynote speaker, delivering captivating and insightful presentations on the most pressing challenges facing businesses today.

We are flexible, experienced and customize our approach to your unique business requirements. Whether you have a specific project in mind or are looking for expert advice, and support as you build and evolve your people strategy, we’d love to chat to see how we can help.
