## WHO ARE WE?

I am a former ELA teacher who served in the classroom for 22 years (grades 7-12). I have experience in administration at both the school level and district level. Because I have a Master's Degree in school counseling, I am able to provide quality assistance for our school counselors as well. I believe educators never stop learning, and I am passionate about the impact we make on the lives of students. Combined years in education to date: 27
