

# Lauri Smith

SPEAKER | AUTHOR | COACH

Lauri Smith is the author of *Your Voice Matters: A Guide to Speaking Soulfully When It Counts*. Lauri helps visionaries on a Soul-driven mission stand in their power, speak their truth and Lead so they can do their part to change the world with authenticity, creativity and courage.

Her dream is that everyone shares the vibration of their Soul's Purpose on their voice and together we reach global harmony.

### PRAISE

Lauri is creative, inventive, and has an original approach to addressing important psychological and physical realities. Her workshop has helped many women in our organization improve their self-confidence at the negotiation table and choose to be vocal about what is important, coming from a space of contribution and commitment rather than self-doubt or insecurity.

Lauri's teaching touched my heart and empowered me to stand up and claim my voice.
