

Stay relevant with:

Dr. Holly A. Sullenger, CEO, Dr. Holly Speaks, PhD, LLC

Today, the skills college graduates acquire during college have an expected shelf life of only five years. Professionals must constantly learn and re-tool to **stay relevant** in their field. Dr. Holly Sullenger can help your organization remain competitive by providing speaking, training, and consulting options to help your employees **stay relevant**.

Dr. Holly Sullenger, CEO of Dr. Holly Speaks, PhD, LLC, is an award-winning, international keynote speaker, corporate trainer, and leadership consultant. She offers much sought-after services in the areas of leadership, professional development, and technology.

Dr. Holly has worked with individuals representing a vast array of different occupations and industries. She is known for being able to present high-level topics in ways that make the content easy to understand, to assimilate, and to act on.

Dr. Holly has a PhD in Adult, Workforce and Continuing Professional Education from NC State University, as well as degrees in Adult Education, Business Management, Computer Science and Liberal Arts. This enables her to combine an in-depth knowledge of business and industry with adult-education techniques and infused humor in order to bring unparalleled knowledge and assistance to those she partners with.

In addition to her speaking, training, and consulting work, Dr. Holly is an adjunct professor at NC State University in the College of Education, and she is Chair of the Training and Development Advisory Board at NC State University.

Let Dr. Holly help you keep your cutting-edge workforce ready – schedule your next corporate speaking, training, or consulting event with Dr. Holly Speaks. Visit www.DrHollySpeaks.com for more information.
