

# Mandy Cansler, COMT, COE, OSC

## Motivational Speaker & Consultant

Mandy is a healthcare consultant and sought-after keynote speaker at regional and national conferences. She holds certifications as an Ophthalmic Medical Technologist, Ophthalmic Executive, and Lean Six Sigma Yellow Belt. Mandy served as the Chief Clinical Officer of a large ophthalmology practice in Hickory, NC. before expanding her influence to equip leaders nationwide with tools and insights to succeed in a rapidly changing professional world. With over 24 years of experience in ophthalmology, she has developed expertise in clinical training, organizational development, leadership growth, and operational planning.

Mandy has successfully guided organizations through transformative changes that enhance teamwork, boost productivity, and alleviate stress. She delivers engaging, insightful presentations that equip leaders and their teams with practical tools to foster collaboration, increase profitability, and build a thriving workplace culture. With a dynamic blend of humor, passion, and unfiltered honesty, Mandy connects with audiences on a profound level. Her real-world wisdom and engaging storytelling, empowers and inspire leaders to create meaningful and lasting change.

### CLIENT FEEDBACK

*“Mandy’s energy and passion gives her the unique ability to connect with her audience. Her storytelling skills are exceptional, and she weaves personal anecdotes with valuable insights that resonate deeply. If you’re looking for someone who can leave a lasting impression and provoke thought, Mandy is the perfect choice!” - Kristi Bolinger, Director of Specialty Solutions at Nextgen Healthcare*

## CLIENT FEEDBACK

*“Mandy captivates her audience when delivering solutions and ideas. I enjoyed her presentation at the Catawba Chamber Women’s Leadership Conference where she provided insightful views on how a leader can impact the success or not of an organization. Her passion for leadership is inspiring. Mandy draws from her own leadership experiences to provide clarity and vision for organizations seeking growth and direction.”*

*Cindy Smith, CFO - Graystone Eye*
