Akilah Trinay, a native of Oakland, holds a B.A. in Communications with a focus on Public Relations from California State University, Los Angeles, and a Master of Arts in Educational Teaching and currently working towards a Doctorate in Educational Leadership at Saint Mary's University. Akilah, the CEO of Revision Publishing LLC, is a versatile professional with expertise in business, marketing, and personal development and has published over 20 books in various genres, languages, and formats. As a published author, podcast host, entrepreneur, and educational consultant, she brings a wealth of knowledge to her partnerships.

### KEY TOPICS

- Collaboration: Building Author Partnerships
- Intellectual Property Advocacy: Taking ownership of your story
- Ongoing learning & Growth opportunities: Asking the right questions
- Overcoming "Imposter Syndrome": Understanding you are the model

### THE MISSION

Revision Publishing LLC is an indie publishing & consulting firm, dedicated to guiding and educating authors through the self-publishing process. We strive to manifest the publishing dreams of everyone, especially the historically disadvantaged and underserved.

### “ IN MY OWN WORDS

As a dedicated learner, educator, and researcher, my mission is to empower, enlighten, and uplift individuals through my work.

### SUGGESTED INTERVIEW QUESTIONS

- Can you share your experience with building author partnerships and the importance of collaboration in the writing industry?
- How do you approach intellectual property advocacy and encourage authors to take ownership of their stories?
- What kinds of ongoing learning and growth opportunities do you believe are crucial for writers, and how do you recommend they go about asking the right questions to access these?
- How have you personally dealt with imposter syndrome in your writing career, and how would you advise other authors to understand and overcome this challenge?
