## SPEAKER ONE-SHEET

### SIGNATURE KEYNOTES

**Master Your Leadership Mindset.** The biggest obstacle standing between you and your leadership potential is what's happening in your head. Learn how to train your inner voice to work for you instead of against you, and discover the key leadership mindsets that people should focus on improving to become a more effective leader that others want to follow: Confidence, Integrity, and Authenticity

#### **Unshattered: The Art of Authentic Leadership**

Molly redefines leadership through the powerful lens of Kintsugi – the Japanese art of repairing broken pottery with gold. In this bold and inspiring keynote, she shows how embracing your cracks builds deeper trust, stronger teams, and unshakable resilience. Leadership was never about being flawless – it's about becoming unshattered.
