NICOLE HAS A PRESENCE YOU CAN'T DENY AND SHE LEADS YOU TO OWN YOURS. SHE'S ALWAYS BEEN A "COLOUR OUTSIDE THE LINES" HUMAN & DELIVERS THE UNPROFESSIONAL WISDOM YOU CRAVE TO HEAR...

She is an entrepreneur & mentors people on the emotional resilience of standing out & daring to be seen...

Nicole is in the business of human potential, focusing on empowerment, energetics & embodiment. With the belief that we are infinite and that anything is possible, you definitely want her in your corner.

Available for virtual & in-person speaking engagements, workshops, retreats, podcasts & Private Coaching.

Read on to see why you need her energy, wisdom, and practical potent wisdom in your life.

She is a firecracker of a human whose ability to provoke heightened states of emotional and spiritual awareness leaves audiences fired up and ready to take on anything. She speaks on your potentiality spectrum & cultivating the courage required to build a life, business, career & relationships that make you feel alive.

Her in-person and virtual workshops & retreats help people understand & leverage the power of compounding courage. This has a direct effect on all aspects of your life, from business, lifestyle, and relationships & in becoming the most fully expressed, unapologetic version of you.

Nicole's focus is to un-complicate the complicated, she blends science, spirituality & human potentiality effortlessly & teaches her audience how to embrace failure, and develop a presence that is unforgettable.

These all have a direct relationship with cultivating confidence, increasing visibility, engaging audiences, having courageous conversations, leading yourself & others, and increasing sales.

Her seminars are not merely inspirational nor motivational, they are powerful experiences that ignite her audience and lead them to take action on the things they have previously not had the courage to claim.

They also are not thinly-disguised sales pitches, but workshops you can be confident to sponsor, and ones your members and guests go wild about & thank you for holding.

Nicole can talk to an audience about many informational topics, but people hire her for 1 reason: Her wildfire energy. She EMPOWERS her audience and leaves them feeling capable & confident to take on anything they decide to set their sights on.

Ever the energetic, feisty, and lively speaker, Nicole jams every one of her sessions with countless useful tools, tips, and advice that attendees are able to implement immediately upon leaving any one of her events.
