

Joe Patneaude

CFEd®, CECM

*Simplify. Focus. Scale. It's not just about size,
it's sustainability.*

Joe Patneaude blends 25+ years of financial services leadership with award-winning coaching and mentoring to help owners scale smarter, without the burnout.

As the creator of the STAR ScalabilitySM method, Joe equips advisors and founders with the clarity, systems, and leadership alignment they need to grow sustainably, without being the bottleneck.

Whether on stage or virtually, Joe brings practical insights, a touch of hard truth, and a strong track record of helping practices increase profitability, improve performance, and reclaim their time.
