

Nicole Flynn

Presenter | Philosopher | Photographer

Looking for an engaging workshops facilitator to enlighten and educate your audiences?

Nicole Flynn has lived experience, as a person who has Trisomy 21, Down syndrome. She has conquered challenges, faced barriers and shattered stereotypes, from graduating from Loyalist College with a diploma in General Arts & Science to being an internationally acclaimed athlete in three sports!

Now, Nicole has founded Nicole Flynn Enterprises to continue to show what is possible by sharing her story as a published author, photographer and public speaker.

Through sharing her life's journey, Nicole brings a unique perspective, challenging people to think differently, and be reflective.
