## WHO IS RAELE BRICKER?

Rael has a diverse work history, which makes him perfect to advise businesses on growing and achieving excellence as he has experienced the rollercoaster himself.

From being 6000ft underground, to starting an education business (that grew to have 4000+ students), to spending years working in venture capital, Rael has seen it all. He's listed companies on international stock exchanges, and his financial services group has settled in excess of \$3bn in loans over the course of 17 years.

Rael Bricker holds two Masters degrees, an MBA and an MSc (Engineering). He is currently a Fellow of the MFAA (Mortgage and Finance Association of Australia), and a Professional Member of PSA (Professional Speakers Australia).

## TESTIMONIALS

"I have heard Rael present at professional meetings, seminars, workshops and conferences over 100 times. He's a regular presenter and greatly sought. Rael engages with the audience and has the rare ability to break complex financial issues into the layman's language. It's fascinating to see the audience respond to him and enjoy his presentations. He is never dull. Despite having heard him over 100 times I find he rarely repeats himself, changing the presentation's content and style to suit the audience. He speaks with great passion and a sense of humour so that he never loses the audience. His presentations are always interesting and informative. The fact that he's always sought after to present at various forums is a testament to his skills.

*Harpal Ahluwalia - Branch Manager

"Rael brought a thoughtful, intelligent and heartfelt address to the Vow Financial Conference in Whistler, Canada. Rael's ability to present and weave stories that are thought provoking and motivating is artistry in motion. Myself and more than 200 guests were compelled by Rael's business and management insights, and the message of following your dream and staying true to yourself. Rael is a charismatic and inspirational person; listening to and meeting Rael was truly an uplifting and positive experience - his perspective on issues was a breath of fresh air. Rael has made a lasting impact on my life, and I'm sure the same goes for many others as well."

"You know you have joined a great company if in your first month you get to attend a company function where Rael Bricker is the speaker. Rael has such a nice way of connecting with his audiences through relevant content, good humour and his great storytelling ability. I was very lucky to be near the front of the audience and jumped at the opportunity of getting Rael's book *Dive In*. The book has such great insight into a variety of great practical business principles that we don't always gravitate to first."

*Matthew Hindley - Dariel  
Johannesburg*

"Rael is a billion-dollar businessman who cares about leaders. His strategic sense is staggering. As someone who has also built a successful educational enterprise, when he speaks - leaders act. That is a gift."

*Louise Karch - Award Winning Brand Expert  
Melbourne*

"I first met Rael at a WA Leaders event where he was invited to facilitate an exercise involving "The 6 Thinking Hats". Though this was not the first time I had been exposed to this exercise, the way Rael delivered the system was unique, and in my opinion, led to the most in-depth discussions and involvement from a group of strangers. Since this exercise I have remained in contact with Rael. His council on matters concerning my business has been invaluable."
