

Elzie D. Flenard, III

Business leader, Entrepreneur & Speaker

Elzie D. Flenard, III is the founder of Enterprise NOW!. Elzie is also the host of the Enterprise NOW! Podcast, a business and entrepreneurship talk show that seeks to educate, motivate, and inspire current business owners as well as aspiring entrepreneurs on a variety of business related topics. Enterprise NOW! features entrepreneurs and business leaders from various industries and fields.

Elzie has more than a decade of experience as an engineering professional and entrepreneur. He thrives on thinking outside the box, bringing the best out of entrepreneurs, and driving results. He provokes thought, challenges creativity and inspires persistence.

He holds a Master's Degree in Business Administration from Carroll University and is an Accredited Small Business Consultant.

In his free time, Elzie enjoys singing, bowling, watching movies and spending time with his family.

Business leader

Great leadership is vital for teams to grow and thrive. Good leaders push, pull, and lift their people driving them to execute at their highest potential. Business needs great leaders.

Entrepreneur

I am a fan of anyone brave enough to jump out there and "do their own thing". As an entrepreneur, I admire the hard work and dedication it takes to be a successful business owner.

Creative

Whether it's speaking, podcasting, or singing. Everything that I'm passionate about involves two things.....me talking.... and a microphone.

Topics include

1. Podcasting and Business.
2. 3 P's of Empowerment.
3. Enterprise Mindset.
