

Five Ways to Elevate Your Life

This passionate vibrant speaker is on a mission to empower women to be all they can be so we can answer the Dalai Lama's call to action.

Dalai Lama called us to action when he said, "The world will be saved by the Western Woman."

About the speaker

Rusti L Lehay is on a mission to call women to action to heal our own voices and model that for other women. She shares how unhealed traumas rob us of the power to be kind to ourselves and others. Most of all until full accountability is claimed, we hold ourselves back from being the women the world, our families, lovers, friends and children need the most.

Rusti feels so strongly about the freedom and the power she found in absolute accountability, she is on a mission to join with all women seeking to be the ones the Dalai Lama speaks about.
