TESTIMONIALS

Louis did a great job speaking at a recent conference for professionals involved in providing support for individuals with intellectual disability. The feedback from attendees was that it was apparent that Louis had thoroughly researched the topic and conveyed helpful information that was useful to them. **PA LIFESHARING CONFERENCE/ BRIDGE CONSULTING CORPORATION**

Louis' honest, detailed, practiced, and informative presentation highlighted timely and important themes for our employee network during the U.S.'s National Disability Employment Awareness Month call. He gave visibility to our employees with autism and achievable adaptations, actions, and considerations to our allies. Our employee network is extremely grateful to Louis and look forward to working with him again in the future! **-AVANADE**
