

# Salvatore Manzi

Speaker • Facilitator • Coach

Salvatore shares insights and principles learned from coaching leaders through missteps and celebrity moments in high-stakes engagements.

For nearly two decades, Salvatore has been inspiring leaders to effectively deliver their vision in board rooms, on stages, the evening news, and before the United Nations. He supports executives, high-performing teams, politicians, and entrepreneurs in elevating presence, delivering memorable content, and moving people to action using research-driven communication principles.

*"The skills gained from Salvatore's session help me nearly every hour of every day to be far more effective." - Truman, Cisco*

*"Tangible ways to improve in a highly interactive program with practical / actionable feedback." Todd - BVP*

## INFLUENCE & IMPACT:

*Integrate research-driven strategies to connect and engage listeners. Convey even complex data with clarity and concision to inspire others to action.*

## LEADERSHIP PRESENCE

*Hone the ability to remain resourceful and agile in high-stakes engagements using easy to build delivery skills and strategies for managing mental / emotional conditions.*

## NAVIGATING Q&A:

*Deepen rapport and build trust using a framework for effectively navigating even the most challenging questions.*
