**Meet Glenn Anderson:**

Glenn Anderson is a professional public speaker. Glenn's presentations and webinars combine decades of corporate experience and teaching with his passion for performing improvisational comedy. The result - your audience is energized and equipped to better communicate, collaborate, and lead.

Glenn knows what it takes to capture attention in the business world. He enjoyed a long career with IBM – in sales, management, training, and event speaking. He produced IT conferences and was a featured speaker for thousands of people.

As a graduate of Player's Workshop of Second City and with his experience performing improvisational theater, Glenn excites your audience with teaching experience and improv techniques that energize communications and create a collaborative team environment.

***Testimonials for Glenn Anderson:***

“Glenn Anderson is the most gifted natural speaker I have ever seen. Any success I have achieved in public speaking is due, in large part, to listening and learning from Glenn. He is that rare public speaker that makes complex material both clear and easy to understand.”

**- John Baker, IntelliMagic**

“Glenn is an excellent presenter who always provides his audience with tons of information with a touch of humor. He has presented numerous times for my organization and his personal development series of presentations have all been well received.” -

**Jerry Seefeldt, NewEra Software**
