

Eréndira Ramos — Keynote Speaker on Human Rights & Sustainable Economies

Human-rights strategy for sustainability & governance. Ex-advisor to Mexico's top courts. EN/ES.

Signature Talks

- The Right to a Sustainable Economy (RSE): A Legal-Policy Blueprint — Rights-aligned tools to embed sustainability in economic governance (due diligence, reporting & assurance, policy coherence).
- Human Rights as Business Strategy — From due diligence to audit-ready assurance (UNGPs/OECD). For legal, compliance & sustainability leaders.
- Climate & Economic Justice for Decision-Makers — Practical safeguards for vulnerable communities, transition risk, and cross-agency coordination.
- Strategic Litigation & Accountability (UN & Inter-American Systems) — Admissibility, evidence, compliance pathways, stakeholder engagement.
- Bitcoin & Open Blockchain for Social Impact (Non-Speculative) — Financial inclusion, remittances, humanitarian access, with governance and privacy safeguards.

What Audiences Gain

- Board-ready tools to integrate human rights with sustainability and economic governance.
- Risk & regulatory alignment: due diligence, reporting & assurance (UNGPs/OECD, CSRD/ISSB).
- Rights-aligned implementation: KPIs, supply chains, remedies, and policy coherence.

Selected Credentials

- Advisor to the Chief Justices of Mexico's Supreme Court and Federal Electoral Court.
- Research Fellow, Max Planck Institute (Heidelberg).
- Author of four books; work across 30+ countries; article in press at the International Journal of Human Rights & Constitutional Studies.
- Bilingual EN/ES; in-person & virtual; based in the United States — available worldwide.

Formats & Booking
