www.approstudio.tech

Expert in AI, Digital Marketing, Branding, and Creativity

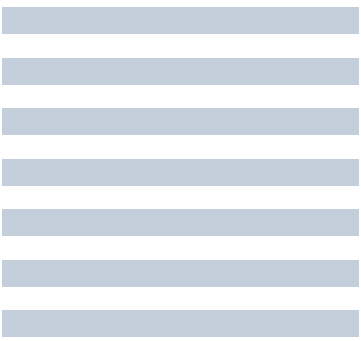

With **16 years of experience** as a university professor, Christian Montenegro has built a career in education, digital strategy, and creative entrepreneurship.

As the founder of **Appro**, a leading UX/UI and branding studio, he helps brands thrive in the digital era by merging technology with emotional intelligence, proving that true impact comes from connecting with people—not just algorithms.

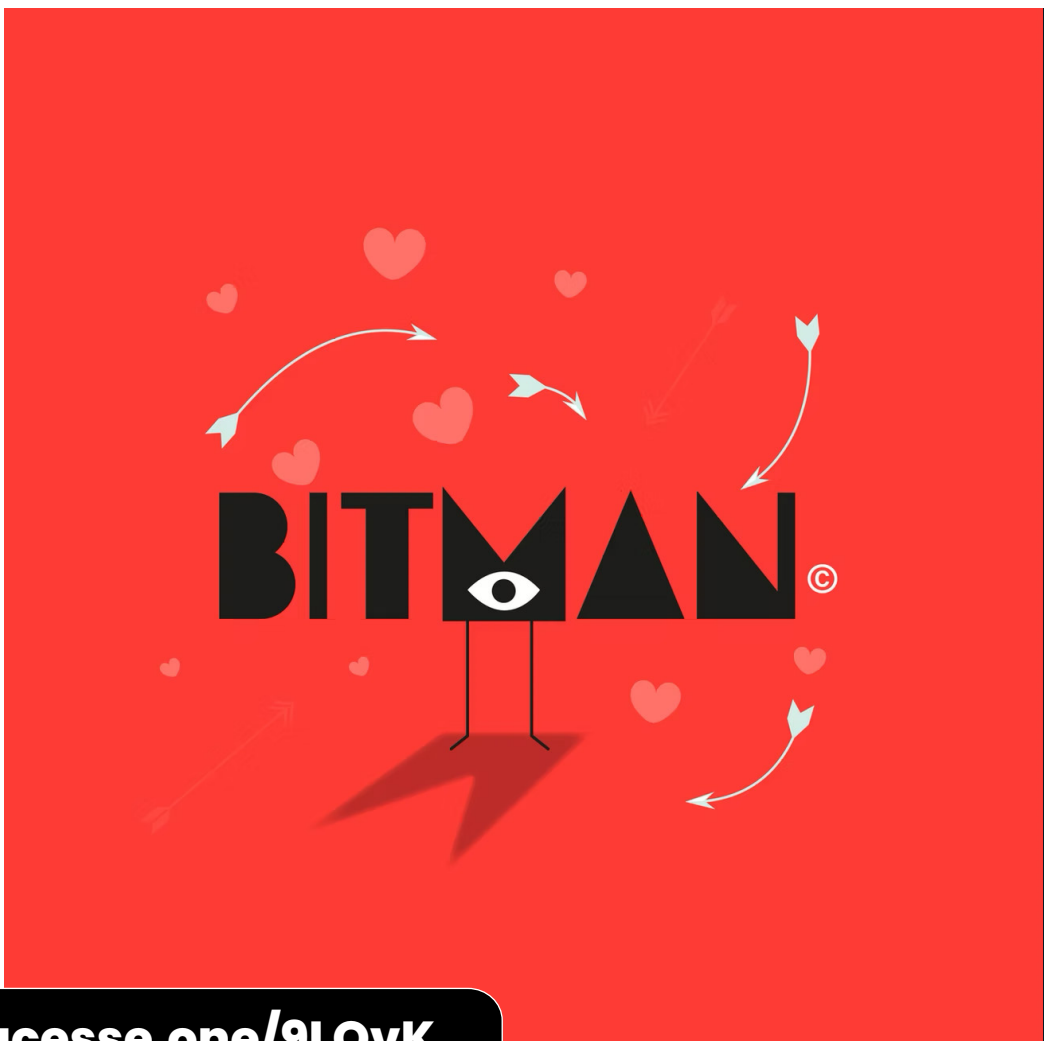

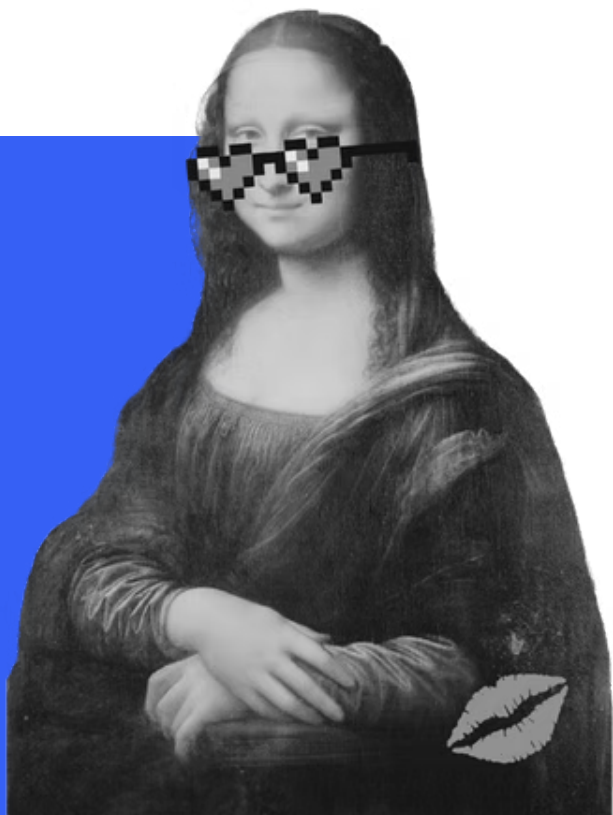

Keynote Topics & Workshops

- **AI & Digital Transformation – Leveraging AI while keeping a human touch.**
- **Creativity in the Digital Age – How to stand out in a saturated world.**
- **Digital Marketing & Personal Branding – Building a powerful and authentic brand.**
- **Storytelling & Engagement – The key to creating real and lasting connections.**
- **UX/UI & Experience Design – Crafting digital experiences that convert.**

Christian Montenegro

DISEÑO

Te hablo de diseño, de lo que me apasiona y de paso... te vectorizo el corazón.

Events/ Collabs

VTEX Connect Latam

MÉXICO

Honored to have been invited by VTEX to attend VTEX Connect LATAM in Mexico City! It was an incredible experience filled with insights, innovation, and valuable connections in the digital commerce space.

FePi (International Festival Of Independent Advertisement)

ARGENTINA

I was part of the jury of the annual event held by FePi in Argentina. My task was to select the best ads made by advertising students from all Latin America. 2017

Cool Hunter

MÉXICO

I've participated as a copywriter in the Cool Hunter México project, where I wrote several quotes related to important topics for the society.

Design Camp Fest 2016

PERÚ

I was part of the Design Camp Fest 2016 held in Peru, where various creatives from the field of design and advertising met in a series of workshops and conferences.

Vértice Festival

Guatemala

At Vértice Festival, I delivered a keynote on strategic copywriting, storytelling, and how words can shape powerful brand identities.
