

Steve Beaman  
**The Voice of the Independent American**  
**Faith • Finance • Freedom**

### **About Steve Beaman**

Steve Beaman is a nationally recognized entrepreneur, author, and speaker devoted to empowering America's independent business owners. He built and sold one of Wall Street's pioneering analytics firms to Charles Schwab and today leads The Steve Beaman Journey, a multimedia platform dedicated to faith, finance, and freedom.

Steve has authored over a dozen books and masterclasses — including *The Path to Prosperity* and *The Five Paths to Business Success* — and speaks with the authority of lived experience: success, loss, and renewal. His presentations blend economic insight, human inspiration, and practical wisdom for entrepreneurs determined to thrive in a changing world.

### **Signature Keynotes & Programs**

- The Five Paths to Business Success**

Discover how Financial, Emotional, Physical, Intellectual, and Spiritual balance leads to enduring business success.

- Independent Entrepreneurship in the Digital Age**

A roadmap for small business growth in the AI-driven economy.

- The Path to Prosperity**

Financial literacy and personal mastery for the independent American.

- A Practical Guide to AI for Independent Business**

Real tools and strategies for leveraging AI to scale and simplify your operations.

- The American Dream Under Fire: Victinomics™ and the Future of Free Enterprise**

An inspiring defense of American individualism and small business in the age of entitlement.

## What Audiences Say

“Mr. Beaman is an innovative expert who is transcending the world of financial education. An accomplished public speaker, his presentation is involved and dynamic — however, the most important part about Steve is his message. I partnered with Steve on an event targeting young professionals. For all of those young people who were still managing school loan debt, the program was literally life changing, and in a very positive way.”

— Andrew Ollis, Founder, Believe Media, LLC
