THINK LIKE A COMEDIAN

BUILD A STANDOUT CULTURE
WITH STANDOUT LEADERSHIP

Today's market demands employee innovation, but many leaders unintentionally stifle it. The leaders who use the skills of great stand-up comedians actually inspire employees to **stand out**.

CLIENTS SAY

"I enjoyed the time getting to know my colleagues in our breakaway groups. I think this helped us connect on a deeper level than a normal workday might allow." - Lawrence Ragan PR

"We got more done in five-minute exercise than our team gets done in 90-minute meetings." - KPMG

"I really enjoyed the improv and creative aspects of the session, as well as seeing my teammates' personalities." - Beneficial State Bank

WHY DAVID?

Unlike other speakers & trainers, David's 11+ years of comedy & speaking experience is an overdue disruption of the leadership training status quo. His hands-on programs have helped teams at Fortune 2000 companies build trust, improve collaborative processes, and have fun learning to create together.

Water Cooler Comedy

Stand Up & Lead

Humor-based leadership development programs:

- Break down communication silos
- Build trust between leadership and employees
- Boost resilience & psychological safety
- Improve engagement & retention
- Give a recruiting differentiator
- Innovate problem-solving & collaborative conversations
- Increase productivity & bottom lines

In This Immersive Program Customized For Your Audience...

Participants will learn to:

- Redefine humor as a problem-solving skill, and not something to fear.
- Utilize the basics of improvisational comedy to create a safe space for open collaboration
- Embrace disruption and mistakes with simple, repeatable creative thinking exercises.
- Innovate problem-solving through strategic curiosity.
