# the MONEY QUEEN'S GUIDE

As women, we all have unique a relationship with money. We strive for financial security to support our family, ensure we can retire comfortably, create independence separate from our partners, and along the way, buy some nice purses.

As much as we are motivated to make money, we often do not consider the crucial relationship between what we do today and how it can impact our life tomorrow. There are tried and true decisions you can make as early as your teens that can positively impact your financial security.

Cary Carbonaro understands these realities and walks people through, decade by decade, the specific challenges women face and the exciting opportunities they have to build a financially thoughtful life.

Cary is a regular media personality and speaker. Her feature keynotes include:

- The Money Queen's Guide to Investing
- How to Build True Wealth & Banish Fear: The Decade-by-Decade Blueprint
- Women & Money: The Realities & Decisions
- The Money Queen's Guide For Millennials
