Web3.0's Ecosystem

Art is applied philosophy
(and apparently so is math)

Blockchain

Rave culture is making its move onto the blockchain

Ain't no party like a decentralised party

FAQ

SWEDEN-JUNGLE-461E306B-4289-AA06-5C76-78DE3AF3613F

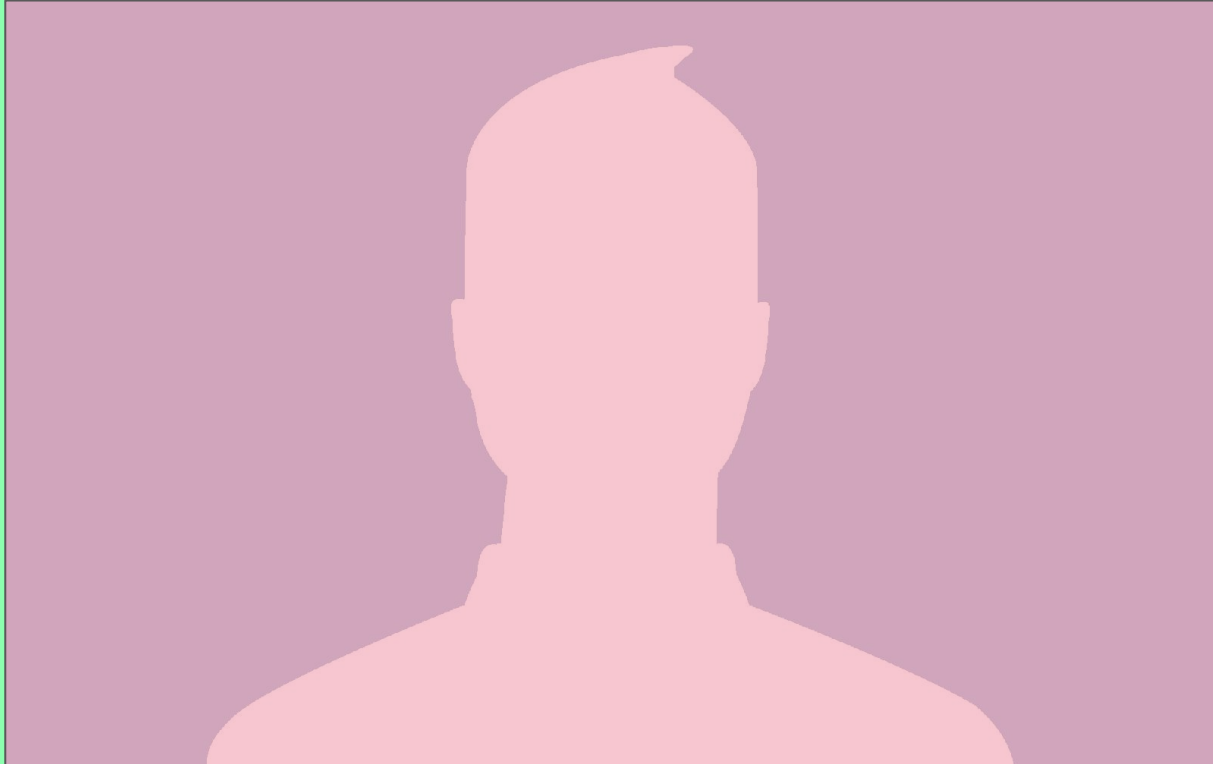

“We all gonna be
billionaires!”

“Some kinds of problems are like engines that need to be tweaked. Other types of problems are like crime scenes. You don't show up at a crime scene and say, You know what? Let's just move forward. No, you have to first look backwards.”
