

# Nadia Aimé

SHORT PRESENTATION

Cybersecurity Technical Specialist  
&  
Public Speaker

## ABOUT NADIA AIME

**Nadia Aimé is a Cybersecurity Technical Specialist based in Brussels. She is a diversity advocate, tech entrepreneur, and founder of She Leads Digital. Nadia is passionate about empowering women and underrepresented groups in tech and business.**

**She promotes technological innovation as a vector of equality and a catalyst for an inclusive and sustainable digital world.**

**Nadia aims to contribute to bridging the digital divide through inclusive initiatives.**

Nadia is also a public speaker, sharing her insights and experiences with audiences around the world in order to replicate success story. She understands the importance of promoting role models to inspire and motivate others to pursue their goals and dreams and she refuses to be the exception.

## As a Speaker Nadia Aimé provides:

- *Knowledge - as a Cybersecurity Technical Specialist, Nadia Aimé can provide essential insights on industry trends and best practices to your audience.*

- *Inspiration - as a passionate woman in tech with an exceptional career path, Nadia Aimé can offer a high-energy, thought-provoking and motivational speech to encourage your audience to adopt new concepts or conquer new challenges.*

- *Visibility - as a recognized international speaker, Nadia Aimé can be an asset to your agenda, increase event attendance and attract media interest as she receives wide media coverage particularly in Belgium.*
