Never Apply for a Job Again: Break the Rules, Cut the Line, Beat the Rest (Based on the Amazon Bestselling Book)

In good economic times or bad, as an employee or entrepreneur, it pays to know how to connect effectively and stay connected. 80% of all jobs are filled before posting, and business goes to those in the know. Folks in webs of connection always hear first.

Attendees will:

- Realize how passions are the best avenues for creating connections
- Understand the awesome power of research-based relationship development
- Discover how to penetrate the doors and hearts of industry experts
- Learn the 10 Time-Tested Principles of an effective stealth career campaign

Personally Branded! Your Presence, Your Brand, Your Pitch!

Why have a personal brand? Because otherwise your story, skills, abilities and resume sound and look like everyone else's. To show up distinct and unique is the key to staying top of mind in a world of high competition. Personal branding makes it so.

Attendees will learn to:

- Draw upon unique patterns of success to arrive at the truth of their essence
- Package and convey who they are through a powerful, proven system
- “Brand” themselves in a 30-second pitch that has them stand out from the crowd
- Boldly step out of the comfort zone to meet, greet, and find the treat in connections
- Network with power players of influence for the keys to their next opportunity

MBA and Undergraduate Presentations of the Above...and More!

Graduation doesn't guarantee work, much less the start of a happy career. Insightful presentations on the above subjects and more are conveyed to undergrad and MBA students in a language they can understand, retain and utilize. These methods have been taught to Harvard, Tulane, Wake Forest MBAs, undergrads and more.
