*"Rosie is seriously unique. From street kid, to cop, to Private Investigator to Professional (and seriously professional) speaker. Rosie's one of those inspiring people who's not just got their stuff together, she's able to lift and inspire others to do the same. And she does it in a way that sticks. On top of all of that, I swear she's a human dynamo. Passion exudes from her. So much so that I'd describe Rosie's speaking as eXtreme and eXtraordinary." Paul Dunn, ResultsNet Australia*
